1. INTRODUCTION TO UWKSA

Following the formation of United World Karate (UWK) in 2014 the South African Federations affiliated to WUKF, WUKO & AD and IKU (IKU has since resigned from UWK), initiated dialogue with the intent purpose of unifying all affiliated national federations and organisations under the umbrella body, United World Karate South Africa (UWKSA). In March 2015 the first general congress was held and the UWKSA General Karate Commission was established. The current UWKSA General Karate Commission Executive comprises Gary Grapentin (President); Francois Du Preez (Vice-President), Werner Van Staden (General Secretary); Alan Kirkclady (Treasurer) and Alta Venter (Chief Referee).

The new UWKSA General Karate Commission Executive, who will assume their duties as from 01 April 2019, comprises of Elmarie van Zyl (President); Elrie Bosman (Vice-President), Mari du Preez (General Secretary); Kenneth Basson (Treasurer) and Paul Da Silva (Chief Referee). Our Executive Members are elected to these positions for a maximum term of four years.

UWKSA's General Karate Commission was granted official UWK membership status in August 2015. A UWKSA General Karate Commission Team participated in the 1st World United Karate Championships in Koper, Slovenia in October 2015. Since its inception in 2016, UWKSA has held **three** successful national championship events.

Our primary objective is to ensure that our athletes are prioritised in their bid to achieve world class honours. Furthermore we remain committed to assisting with and facilitating the process of establishing commissions for Traditional and Full Contact Karate in South Africa. It is envisaged that these three commissions (Traditional, Full Contact and General) will unify to form a democratic and non-political Federation which places an emphasis on development (specifically within a South African context) and prescribes to the principles of fair-play, transparency, equality and integrity.

2. MESSAGE FROM THE UWKSA NATIONAL CHAMPIONSHIPS ORGANISER

It is my privilege to invite UWKSA affiliated Federations and Dojos to join us for the fourth UWKSA National Karate Championships. This year the Championship will take place at the South African Lipizzaner hall in Kyalami, Gauteng.

Not only will the Championship bring the UWKSA affiliated Federations and Dojos together; we will also use this opportunity to raise awareness around the organization by inviting selected non-affiliated dojos to attend the tournament.

The Championship venue will comprise of six competition tatamis. The venue is also very unconventional in the sense that it is home to the world famous South African White Stallions (Lipizzaners). Competitors and spectators will be allowed to visit and interact with the horses in their stables during and/or after the event.

On the Sunday, 31 March 2019, we will also collaborate with the South African Lipizzaners by doing a karate and kobudo demonstration during their 10h30 show in the hall. Tickets to this show will be available via Computicket or can be ordered directly from Shotokan-ZA at R170 p/p.

We would be honoured with your participation in what promises to be a memorable UWKSA National Championship for participants, officials, families and supporters alike.

Yours sincerely

Elmarie van Zyl
Shotokan-ZA Chairperson and Organiser of the 2019 UWKSA National Championships

3. CHAMPIONSHIP VENUE

The venue is home to the world famous South African White Stallions (Lipizzaners). The Lipizzaner breed itself dates back to around 1562 when Archduke Maximilian started to breed Spanish horses in Lipica, a village in the modern day Slovenia. It was the need for military horses of unusual strength, loyalty and courage that inspired him to import Spanish, Italian and Arab-Oriental horses for his breeding programme. Out of this grew the famous white horse – the Lipizzaner – as we know it today.

These animals are characterised by a perfect and noble physique, graceful movements, the ability to learn, liveliness, good nature, courage, toughness and stamina.

The South African Lipizzaners Ltd, a Non-Profit Company, is dedicated to the advancement of this proud cultural heritage and the preservation of this most ancient breed of horse.

Over the years, the South African Lipizzaners have become an integral part of South Africa's cultural heritage.

Today, the South African Lipizzaners appear on film and television and at various public performances as well as their regular Sunday morning shows.

For the Championship on **30 March 2019**, the ground will be compacted, covered and we will laydown six tatamis. There will be ample seating for spectators in the viewing stands in the Hall.

7. RULES AND GUIDELINES

7.1 UWK General Karate Commission Rules

The Championship rules will be based on the WUKF rules with amendments. The rules are available online at: https://www.wukf-karate.org/upload_legacy/rules/Rules-and-Index-Revision-English-Rev021-iv005-2018-05-01.pdf. It is the responsibility of the team manager and coach to be familiar with the rules and to inform their competitors accordingly.

The term “Tokui” does not restrict to, but also allows competitors to select a kata from the shitei or sentei group of kata on the Official Kata List. The meaning of it is: a Kata not performed before. The official WUKF Kata list is available online at: https://www.wukf-karate.org/upload_legacy/rules/WUKF-Official-KATA-List-rev-08-May-2018.pdf

Mini cadet, Cadet and Senior kata categories are based on styles (Shotokan, Goju-Ryu, Shito-Ryu, Shorin-Ryu, etc), while Children (12 years and under) and Veteran categories are all styles. There must be at least six competitors from a specific style within a certain age and belt group in order to necessitate the running of a separate kata category. If this threshold is not met, competitors will be included in a general all-styles category. Should there be additional styles; a rengokai category will be added. Each kata style category will be held separately and run to completion in order to determine the top three athletes in each style category. The top three athletes from each style category will then compete in an all-style category in order to determine the overall top three positions. Please note that medals will only be awarded to the overall top three athletes in the all-style category.

7.2 Exceptions and protective gear

- a) Veteran black belts may compete in the senior categories. Please see the exceptions to the kata rules.
- b) Should there be insufficient competitors in the veteran black belt age categories, these categories will be combined.
- c) Children up to 12 years: Head (helmet), body protectors and bubble mitts (white and red) are compulsory. Gum shield, groin and shin protectors are optional.
- d) For all other competitors the following is compulsory: Bubble Mitts (white and red), gum shield, groin protector for males and a breast protector for females. Shin protectors are optional.
- e) Gum shields can be any colour, except red.
- f) No amulets, wristbands, jewelry or metal objects may be worn.

7.3 Age of competitor

Age of the competitor will be his/her age as on the 30 March 2019.

7.4 Combining of categories

The organisers reserve the right to combine or divide categories according to the competitors' height/weight / belt / age, depending on the number of entries, as seen necessary. In this regard the organisers will be as fair to the competitors as possible.

7.5 Medals

Medals will be awarded to the top three competitors in each kumite and kata category with the exception of the categories mentioned in paragraph 3 of 7.1.

7.6. Points

In terms of placing dojos/federations at the Championship the following system will be used:

Individual events

21 points: Awarded to each individual for gold/1st place.

15 points: Awarded to each individual for silver/2nd place.

09 points: Awarded to each individual for bronze/3rd place.

Team events

For team events the points are as above, however each individual in the team (generally accepted as to there being three karateka in a team) receives a third of the points on offer. For example, a gold medal for a team event is worth a total of 21 points, however each team member individually receives 7 of these points.

07 points: Awarded to each individual in a team event for gold/1st place.

05 points: Awarded to each individual in a team event for silver/2nd place.

03 points: Awarded to each individual in a team event for bronze/3rd place.

The total number of points will determine overall club/federation placing.

7.7. Provincial and National Colours

UWKSA does not award provincial or national colours to its participants.

7.8. Coaches

The coach must know and obey the rules. One coach for every 10 competitors per club will be allowed. Only coaches who attend the coaching course will be accredited to coach at the Championship. Coaches must wear a tracksuit. A tracksuit top may however be substituted with a golf shirt.

7.9. Draw Sheets

The Repercharge draw sheet system for kumite will be used. The round robin system will be used for categories with three competitors. The points system will be used for kata categories.

7.10. Dress code

Referees and judges must wear a short-sleeve white shirt with the official UWKSA approved tie. Trousers must be grey. Referees must wear a navy blue blazer with the UWKSA badge. A blazer is preferable for judges but not mandatory. Table officials may wear grey, navy or black pants, preferably with a white blouse or shirt. Male table officials must please wear a tie. Referees and judges will not be permitted on the floor unless correctly attired.

Notes

- First Round (Score: 5.0 - 7.0), with the 12 highest scoring contestants going through to the next round.
- If there are less than 12 entries in the first round, then that round can be omitted. Therefore the event will become a two round event.
- Second Round (Score: 6.0 - 8.0): the 6 highest scores will go through to the Final.
- Third Round (Final) (Score: 7.0 - 9.0).
- The remaining scores from the 2nd and 3rd rounds will be added together for the final result.
- In the event of a tie, the contestants must perform an additional and different Kata (as per the criteria mentioned earlier for each category) which they have not performed in previous rounds. If, after this, the tie persists the minimum score from the remaining 3 scores will be added to the total.
- In the case of a continuing tie, the maximum score from the remaining 3 scores will be added to the total. If there is still no winner, a decision (Hantei) must be taken by the Panel of Judges (based on the last Kata performed). The Central Referee and the Judges will use flags to determine the winner.
- Tokui is not limited to the list of kata appearing in the Tokui list, but also includes any kata from the Shitei or Sentei list not performed in a previous round.
